3. We recognize complaints need to be considered and resolved as quickly and efficiently as possible. We aim to resolve all complaints in a timely and satisfactory matter for everyone's benefit.
4. We regard complaints as a source of learning and improvement and when responding to a complaint we will acknowledge if things have gone wrong and take proportionate action to put things right whether an apology or changes to services for example.
5. This policy covers all staff and trustees and associated personnel whilst engaged with work or visits related to the Charity, including but not limited to the following: consultants, volunteers, contractors, etc. We ask that everyone follows our process and procedures in order to get the best outcome with least complications.

Fundraising complaints

Definition: Fundraising complaints are defined as an expression of dissatisfaction at any aspect of the Charity's fundraising activities, including administrative practices or procedures, and acts carried out by third party suppliers.

The charity is committed to being open and honest in all our dealings with our supporters. It is important that those who give us support in any way, have access to a means of making a complaint. If you have a complaint, please contact:

Name: Eternity Downham Market Trustee's

Email: leadership@eternitydownham.co.uk

If you are not satisfied with the answer received, the Fundraising Regulator will deal with all complaints that are concerned with a breach of the Institute of Fundraising's Codes of Fundraising Practice, or a breach of the Fundraising Promise, provided that the complainant has first directed the complaint to the charity concerned.

The procedure for handling fundraising complaints:

1. Telephone complaints will be logged, and every effort will be made to resolve the matter over the telephone. The complaint will be summarised at the end of a call, and if you are satisfied, that will be the end of the matter; however, the complaint will be included in our annual report to the Fundraising Regulator.
2. All complaints, either by telephone, post or email, will be acknowledged in writing within 14 days. We will seek to resolve the complaint within 30 working days. At this stage, further contact with you will only be made when we have insufficient details to take the complaint forward.
3. We will consult with the Complaints Co-ordinator (or equivalent) and any relevant staff or third parties involved (for example: a supplier, or partner) to inform them of the situation, and gather any relevant information. We will take care to record all the important points and file these with the case.
4. Having gathered all the relevant information, we will hold an assessment meeting with the Complaints Co-ordinator/ equivalent, and the staff/ third parties concerned.
5. The assessment meeting will set out the nature of the complaint and determine any action that needs to be taken. We will make a note on whether it is about an alleged breach of the Institute of Fundraising's Codes of Fundraising Practice, and/ or the Fundraising Promise. The Fundraising Regulator will need this information if the complaint is referred to them.

If the complaint is justified we will write to you to apologise, and to reassure you that the complaint will be used to improve on our fundraising activities in the future, and how this will be done. We will also instigate action to prevent any recurrence of the problem.

If the complaint is not justified we will write to you to explain that we will not be changing our fundraising practices and give clear reason(s) for our position.

We always take complaints very seriously and assure you the investigation will always be as thorough as possible. Accurate records will be kept of all the investigations which have been carried out.

Extension of information gathering period

In exceptional circumstances, we may need more time than 30 days to gather all the information (for example, if a key member of staff is on annual leave or is sick). If this happens, we will contact you in writing, with a copy to the Fundraising Regulator, outlining the situation.

If the complaint is not resolved to your satisfaction:

- If you are not happy with our response, you should contact the Fundraising Regulator within two months. We, in turn, will ensure that all correspondence is on file, and can be made available to the Fundraising Regulator if the complaint is pursued further.
- If you are still dissatisfied, you can ask the Fundraising Regulator to look again at your complaint. Their decision will be made within 60 days and will be final. The charity agrees to abide by decisions made by the Fundraising Regulator Board.

Safeguarding complaints

Protecting people and safeguarding responsibilities is a governance priority, and the Charity takes reasonable steps to protect people who come into contact with our charity, from harm.

If you have any concerns about the behaviour of a member of staff, volunteers, guests or beneficiaries in any situation, it is vital that you tell us about it immediately, so that appropriate action can be taken.

This complaints policy will work alongside the Charity's Safeguarding and Whistleblowing

Policies.

The procedure for safeguarding complaints

1. We take all concerns and complaints seriously. If we have an incident or allegation of abuse, we will handle and record it in a secure and responsible way, and in accordance with any legal and statutory obligations.
2. We will respect your confidentiality and keep your complaint confidential as far as possible. Any information about the complaint will usually only be shared with those who need to know, in order to help resolve it. There may however be occasions when we cannot provide absolute confidentiality; for example, in circumstances where a child or vulnerable adult may be at risk of harm, and any relevant information will be shared with others concerned in the safety and welfare of service users.
3. We will handle information in line with the Data Protection Act.
4. We will report to the police if the incident or concern involves criminal behaviour. Where necessary, we will also refer to social services and report to other agencies (i.e. send a serious incident report to the Charity Commission).
5. If the complaint is received by telephone, we will listen and record the complaint and summarise for the complainant, to ensure that the details are correct. The complaint will then be passed with due haste to the Designated Safeguarding Lead (Lead DSL); alternatively, you can make a complaint using your preferred method and format of communication direct to the DSL, whose contact details are as follows:

Name: Church Office

Email: office@eternitydownham.co.uk

6. The Designated Safeguarding Lead (DSL):
 - will acknowledge your complaint within five days of receipt;
 - will keep you informed throughout the process;
 - contact the Chairperson for a decision on whether to conduct an internal enquiry, or whether it is necessary to pass to another agency, such as: the police, social services, or the Local Authority Designated Officer (LADO).
 - No safeguarding decision will be made in isolation.
7. The DSL will ask the receiving agency to: keep the Charity informed; and
 - be included in any strategy meetings which may be held.
8. The person making the original complaint will be informed if other agencies are involved.
9. At the end of the process, the complainant, family and alleged perpetrator will be informed of decisions made.
10. The DBS will be kept informed throughout this process and **MUST** be informed of the final decision.
